applicants for our clinical-track faculty position to teach the students and residents in the Doctor of Dental Surgery (DDS) and Master of Science in Dentistry (MSD) programs. This will be a 12-month appointment at the rank of assistant professor at 1.0 FTE, with an anticipated start date of July 1, 2024, or sooner.

YOUR TEACHING AND LEADERSHIP MATTERS

Our bold new vision through the [IU Indianapolis 2030 strategic plan](#) is designed to increase the number of job-ready graduates for an innovation-led economy, fuel economic growth in the region and the state, and enhance service to the Indianapolis community and beyond. We are seeking a new faculty member with proficiency in all aspects of digital innovation and laboratory technologies to teach students and residents in the Doctor of Dental Surgery (DDS) and Master of Science in Dentistry (MSD) programs about contemporary technologies in dentistry, and to prepare graduates for future evolving dental careers.

WE'RE AN INSTITUTION THAT IMPROVES THE WORLD

IUSD offers a dynamic learning environment for faculty, in which teaching, research, clinical care, and community service are core to our mission, through clinical programs in Indianapolis and Fort Wayne, Indiana. Our main facility includes a state-of-the-art 45,000–square-foot James J. Fritts DDS Clinical Care Center on the IUPUI campus, adjacent to local hospitals and part of an urban academic health center. IUSD enrolls approximately 800 students annually in degree and/or certificate programs in dentistry, allied dental programs, Ph.D., and advanced dental specialty programs tailored to the current and future needs of the professions and the communities we serve.

EEO/AA Policy

Director of Digital Innovation Laboratory/Assistant
Professor

As the state's premier urban research institution, IUPUI is committed to being a welcoming campus community that reflects and enacts the values of diversity, equity, and inclusion that inform academic excellence. We seek candidates who will not only enhance our representational diversity but whose research, teaching, and community engagement efforts contribute to diverse, equitable, and inclusive learning and working environments for our students, staff, and faculty. IUPUI condemns racism in all its forms and has taken an anti-racist stance that moves beyond mere statements to interrogating its policies, procedures, and practices. We hope to identify individuals who will assist in our mission to dismantle racism so that everyone has the opportunity to succeed at IUPUI.
