### **Primary Purpose of Organizational Unit**

The UNC Adams School of Dentistry Division of Comprehensive Oral Health houses several disciplines including, Periodontology, Dental Hygiene, Comprehensive Dentistry, Operative Dentistry/BioMaterials, Prosthodontics, and Endodontics. The Endodontics discipline is committed to advancing oral health through therapies focused on preserving the natural dentition.

### **Minimum Education and Experience Requirements**

The candidate must have a DDS/DMD or equivalent degree, and advanced training in Endodontics. Excellent oral and written communication skills and a commitment to diversity, inclusivity, and collegiality.

### **Preferred Qualifications, Competencies, and Experience**

Clinical and academic experience, and be Board-certified or Board-eligible in Endodontics. Leadership, administrative, supervisory, and CODA accreditation experiences.

### **EEO/AA Policy**

The University of North Carolina at Chapel Hill is an equal opportunity and affirmative action employer. All qualified applicants will receive consideration for employment without regard to age, color, disability, gender, gender expression, gender identity, genetic information, national origin, race, religion, sex, sexual orientation, or status as a protected veteran.
