**Job Description**

The Department of Oral and Maxillofacial Surgery (OMFS), Tufts University School of Dental Medicine (TUSDM), is pleased to invite qualified applicants for a full-time faculty position at the Assistant or Associate professor level. The faculty position can either be tenure or non-tenure track depending on experience and qualifications. The duties of the faculty member will include didactic and clinical instruction of students and residents, scholarly activities, and service. Participation in the faculty practice is also expected. Candidates with teaching experience are preferred and those with scholarly and research interests are encouraged.

**Qualifications**

The candidate must have a DDS or DMD degree and be eligible for Board certification, or be Board

certified, by the American Board of Oral and Maxillofacial Surgery. The candidate must possess or be able to obtain an appropriate license for clinical practice in the Commonwealth of Massachusetts and have a developed or have a developing area of clinical excellence. Academic and clinical appointments and salary will be commensurate with qualifications and experience.

We are seeking an outstanding individual with excellent leadership skills to contribute to all aspects of our clinical practice, our educational programs, and the research impact of our institution.

TUSDM is located on the University's Health Science campus in Boston. The Department of OMFS works as a key partner within the School of Dental Medicine and the Tufts Medical Center (TMC). TMC is an internationally renowned academic medical center and health care enterprise. As part of the faculty of the TUSDM, and as an attending at TMC, the surgeon will have the opportunity to collaborate with clinicians, innovators, and investigators becoming part of a vibrant community of health care providers dedicated to making a difference in their chosen field and in patient care.

## Application Instructions

Applications will be accepted online through Interfolio. Interested parties should submit their current curriculum vitae along with a statement describing their scholarly and clinical accomplishments and interests, as well as three letters of reference. Applications are to be submitted electronically using the following link: <http://apply.interfolio.com/142514>.

Applications will be accepted until the position is filled.
