Job Description

The University of Texas School of Dentistry, a part of UT Health Science Center at Houston (UTHealth), is accepting nominations and applications for the full-time position of Chair, Department of Pediatric Dentistry, at the associate- or full-professor level on the tenure or non-tenure track. The position will be available July 1, 2018. The School of Dentistry seeks candidates whose experience, teaching, research and service have prepared them to contribute to our commitment to being a leader in dental education.

The Chair is an integral part of the School of Dentistry's administrative team and provides innovative leadership and advocacy in critical areas of predoctoral and postdoctoral education, patient care and research.

The department has three critical areas of responsibility: Predoctoral education in Pediatric Dentistry,

the Advanced Education Program in Pediatric Dentistry, and research. The ideal candidate will have experience working with students, faculty and staff from diverse backgrounds and have a demonstrated commitment to inclusion and equity.

The Chair will provide vision, focus and mentorship to further develop a dynamic and growing department, and will identify, cultivate and pursue internal and external partnerships that lead to collaborative opportunities. Other duties will include administrative responsibilities, such as departmental planning and budgeting; staffing and supervision; plus departmental representation to the School of Dentistry, the health science center and the community. This position reports to the Dean of the School of Dentistry.

Applicants must have a DDS/DMD degree or equivalent degree, advanced training in pediatric dentistry, and experience in the field. Board certification in pediatric dentistry is preferred. Additionally, a demonstrated record of teaching, academic leadership, successful research and/or involvement in dental education is required, as are credentials meriting appointment to the rank of associate or full professor on the tenure or non-tenure track. The Chair of Pediatric Dentistry will have the opportunity for faculty practice. Applicants must be eligible for licensure or faculty licensure in Texas.

Academic rank and salary will be commensurate with qualifications and experience.

UTHealth is an Equal Opportunity/Affirmative Action employer dedicated to building a culturally diverse and inclusive faculty and staff in a non-smoking environment. UTHealth does not discriminate on the basis of race, color, religion, gender, sexual orientation, national origin, genetics, disability unrelated to program performance, age or any other basis prohibited by law. Women, minorities, the disabled and veterans are encouraged to apply. This is a security-sensitive position and thereby subject to Texas Education Code #51.215. A background check and drug screening will be required for the final candidate.

Instructions to Applicants

The application and supporting documents (CV, statement of teaching/research interests, and names and addresses of three references) must be submitted online.
