<b>Job Description</b>	

University of New England College of Dental Medicine

The University of New England College of Dental Medicine invites applications for full-time clinical track positions in Periodontics (Assistant/Associate Professor).

Grounded in our mission to “improve the health of Northern New England and shape the future of dentistry through excellence in education, discovery and service,” our college continues to mature into one of the most innovative and exciting dental education programs available. The UNE College of Dental Medicine exemplifies an environment that is creative, humanistic, promotes professionalism, and cultivates diversity. The College maintains a commitment to providing excellent oral health care in

a clinical learning environment, which is patient centered rather than procedure oriented.

### Responsibilities

Qualified candidates must possess a DDS / DMD degree, or international equivalent, completion of an advanced education program in periodontics and Board Certification as a Diplomat of the American Board of Periodontology. The candidate must be licensed, or be eligible for full/faculty license in Maine and have successful completion of the NBDE parts 1 & 2. Didactic and clinical instruction to pre-doctoral students will be the core responsibilities of the position.

Candidates must demonstrate a passion for dentistry and a strong desire to teach students in a demanding, fast paced academic environment. Candidates must demonstrate the ability to contribute to and participate in a humanistic environment of learning and discovery. The successful candidate is expected to be able to provide clinical supervision of pre-doctoral students and to provide clinical care in the group practice. Salary will be commensurate with experience.

To apply please visit: <http://une.peopleadmin.com/postings/2578>

Interviews of the qualified candidates will begin immediately and continue until the positions are filled.

\* Background check may be required.

Application Materials Cover Letter and Curriculum Vitae

### **EEO/AA Policy**

The University of New England is an Equal Opportunity/Affirmative Action employer and welcomes female and minority candidates.
