Job Description

The University of Kentucky, College of Dentistry is seeking applications for a full-time tenure track position in the Division of Periodontology, Department of Oral Health Practice. This position represents an exciting opportunity to contribute to the periodontology education of clinicians and academicians who represent the future of our specialty and profession. Responsibilities include didactic and clinical teaching primarily in the pre-doctoral educational programs, participation in research and other scholarly activity, treatment of patients in the intramural faculty practice, and service to the College and University.

The individual must possess a DMD/DDS degree from a CODA accredited institution or proof of graduation from a non-CODA accredited dental school and evidence that the degree makes the candidate eligible to practice dentistry in the jurisdiction from which the applicant graduated. The
