Job Description

PROGRAM DIRECTOR - GRADUATE PERIODONTICS
Department of Dental Diagnostic and Surgical Sciences
Position #28598

Applications are invited for a full-time tenured or tenure-track Assistant/Associate Professor position as well as a 5-year renewable term as Graduate Program Director in the Division of Periodontics, Department of Dental Diagnostic Surgical Sciences at the Dr. Gerald Niznick College of Dentistry, Rady Faculty of Health Sciences. Salary and rank will be commensurate with qualifications and experience. The appointment will commence on July 1, 2020 or as soon thereafter as possible.

The appointee must have completed full-time university-based Periodontics specialty training and be a Fellow of the Royal College of Dentists of Canada (RCDC) or be eligible for the RCDC/NDSE (National Dental Specialty Exam). A proven record of scholarly activity and publication would be an asset. Graduate and/or Undergraduate clinical, and teaching experience in Periodontics is required and

experience in Research and Grant application is preferred. A Specialty Master's degree and/or PhD in Periodontics is preferred.

A Graduate Program Director appointment is a five-year term appointment. Responsibilities and duties associated with the position include: all aspects of Graduate Program Administration, Revenue and Budgeting, Student Recruitment and Selection, Chairing the Admissions Committee, Evaluating student progress, Curriculum Review, Clinic and facilities Management, Staffing (Academic/Support/Dental Hygiene), Inter-Disciplinary Collaboration and Research Oversight of Graduate Students. This position will liaise with the Faculty of Graduate Studies and the Commission of Dental Accreditation of Canada. This position is in the Department of Dental Diagnostics and Surgical Sciences in the Division of Periodontics. Please see the link to the organizational structure of the Dental Diagnostic Surgical Sciences Department at http://umanitoba.ca/faculties/health_sciences/dentistry/ddss/1074.html. The position may include Academic responsibilities in the Undergraduate Periodontics Program.

Candidates must be eligible for licensure with the Manitoba Dental Association in one of its dental specialist licensing categories (Bylaw for Registration and Licensure of Dentists (2013)) www.manitobadentist.ca. Extramural practice privilege is available one day per week upon application and signing of a Private Practice Agreement.

The Mission of the University and College includes a commitment to Scholarship, Teaching, Research and Service. www.umanitoba.ca/dentistry The University of Manitoba's College of Dentistry offers a four-year dental degree, a two-year international dental degree completion program, three-year Dental Hygiene Diploma Program. In addition, there are four clinical Master's based Graduate Programs: Pediatric Dentistry, Prosthodontics, Oral & Maxillofacial Surgery and Orthodontics, with a strong established interdisciplinary didactic and clinical collaboration. Furthermore, there is a Masters and PhD program in the Department of Oral Biology/Basic Sciences.

The Dr. Gerald Niznick College of Dentistry has a significant research profile, and a variety of community service activities that has made this institution among the most respected in Canada.

Winnipeg is the largest city in Manitoba with a growing rich multi-ethnic population of 753,000. It has a rich culture and diverse living environment which includes a symphony orchestra, a vibrant performing arts community, ethnic festivals, many multicultural restaurants, very affordable housing, many public libraries, a low unemployment rate, and an international airport within the city limits. Besides supporting professional baseball, football and hockey teams, the region provides ample opportunities for outdoor recreation in all seasons, in 10,000 acres of city parks and is a desired tourist destination. Excellent private and public schools are available that teach in not only English and French but many other

international languages and includes four universities. Learn more about Winnipeg at <http://www.winnipeg.ca>.

The University of Manitoba is strongly committed to equity and diversity within its community and especially welcomes applications from women, racialized persons, Indigenous peoples, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however Canadian citizens and permanent residents will be given priority. If you require accommodation supports during the recruitment process, please contact UM.Accommodation@umanitoba.ca or 204-474-8371. Please note this contact information is for accommodation reasons only.

Only complete applications will be considered. Your application must include the following: A comprehensive curriculum vitae, statement of career goals, a letter of intent including your experience, or potential for leadership, your clinical experience, teaching, service and research. Please also include a personal statement on your contributions to diversity, equity, and inclusion in your teaching, research, service and/or other experiences etc. Three letters of reference sent directly from your referees, certified copies of your university graduation certificates, a certified copy of the applicant's present licensing authority registration certificate and a letter of good standing from the licensing jurisdiction, must all be included in your application package.

As a requirement for employment in the College of Dentistry, all staff in a clinical setting are required to submit a Criminal Record Check as well as the Child and Elder Abuse Registry check at the time of hire.

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provisions of "The Freedom of Information and Protection of Privacy" (Manitoba). Please note that application packages will be provided to participating members of the search process.

Completed application documents and informal enquiries should be directed to:
