**Job Description**

The Division of Pediatric Dentistry, University of Connecticut School of Dental Medicine is seeking applications for two full-time faculty positions at the Assistant or Associate Professor level. The positions are available immediately. Requirements: DDS/DMD or equivalent, certificate of graduate training in Pediatric Dentistry from a CODA accredited American or Canadian program, Board Certified or eligibility to become Board Certified by the American Board of Pediatric Dentistry within one year from hiring date.

The ideal candidate should have previous academic and research experience. The candidate will have didactic and clinical teaching responsibilities at both the undergraduate and graduate levels, including evening clinic coverage. Other duties in addition to teaching include research, as well as departmental administrative functions and service. Individuals who have demonstrated excellence in teaching and scholarly activity will receive highest consideration. Rank and salary are commensurate with
