Job Description	

WVU School of Dentistry- Periodontology Faculty Position, Department of Periodontology

The West Virginia School of Dentistry is seeking applications for a full-time, clinical or tenure track faculty position at the assistant professor level in the Department of Periodontology.

Responsibilities will include didactic and clinical teaching at the pre-doctoral and post-doctoral level; participation in faculty practice; scholarly activity; and service the University, the School of Dentistry and the community. Candidates must demonstrate experience in all aspects of periodontal therapy, implant surgery, and advanced reconstructive procedures; effective written, verbal, and interpersonal communication skills; leadership skills; and a strong commitment to diversity and social justice.

Candidates must have a D.D.S or D.M.D degree from an accredited U.S. or Canadian dental school or foreign equivalent and must be eligible for a West Virginia dental license or teaching permit.

Information on licensure in WV can be found at <http://www.wvdentalboard.org>. The applicant must be board certified or board eligible for the American Board of Periodontology at the time of appointment.

Review of applications will begin immediately and continue until the position is filled. Salary, academic rank, and administrative responsibilities will be commensurate with qualifications and experience. Electronic submission of application with supporting credentials (letter of interest addressing the requirements above, current curriculum vitae, contact information for three professional references including names, postal addresses, email addresses, and phone numbers, and permission to contact these references) can be made at <http://employmentservices.hr.wvu.edu/faculty-portal>.

EEO/AA Policy

WVU is an Affirmative Action/Equal Opportunity Employer.

WVU Health Sciences Center is a tobacco-free campus.

West Virginia University is the recipient of an NSF ADVANCE award for gender equity.
