Job Description

The Department of Comprehensive Dentistry at The Texas A&M College of Dentistry invites applications for one full-time non-tenure track position with an 11 month academic appointment beginning the Fall 2020 Semester for the AEGD Residency Program. The position is funded by a research grant. Applicants will be considered for the titles of Clinical Assistant Professor or Clinical Associate Professor depending on qualifications. Responsibilities include coordinating residents' clinical activity, supervising patient care, participating in residents' didactic and clinical teaching, evaluation of residents' professionalism, clinical progress, and performance. Interested individuals should have a strong commitment to patient care, teaching, research, and service. The opportunity for extramural private practice is available.
