Candidates must have: DDS/DMD or equivalent degree; completed a CODA-accredited Advanced Education Program in Prosthodontics; comprehensive and demonstrated experience with all phases of fixed, removable, and implant prosthodontics; and be eligible for a regular or limited teaching license by the Ohio State Dental Board. Preference will be given to candidates with board certification or board eligibility from the American Board of Prosthodontics, prior experience in graduate education and interdisciplinary care of patients and the application of digital technology, and all aspects of laboratory procedures, advanced degrees, research accomplishments, and leadership in organized prosthodontics. For a tenure-track appointment, candidates must demonstrate a sustained, outstanding record of teaching and protocol-driven research with the potential for future grant support.

Only electronic applications will be accepted. Evaluation of applications will begin immediately and will continue until the position is filled. Salary and academic rank are commensurate with qualifications. Candidates should submit a personal statement that delineates professional qualifications and career goals, along with curriculum vitae and three professional references to Lisa A. Lang, DDS, MS, MBA, Chair of the Division of Restorative and Prosthetic Dentistry, at osudentistryrecruitment@osu.edu.
