Job Description

The University of Kentucky College of Dentistry seeks to recruit a full-time faculty member who will work in the Division of Adult Dentistry. The University of Kentucky College of Dentistry's Division of Adult Dentistry conducts a fulltime General Practice Residency (GPR) training program. This program is fully accredited by the Commission on Dental Accreditation (CODA) and is designed to extend dental graduate's capability to perform all phases of general dentistry in either private practice or hospital settings. The program's clinical experiences include: Service rotations in General Anesthesia and Internal Medicine; Emergency Call Service; focus of program management of medically, mentally and physically complex patients; operating room experience; core didactics including conscious sedation; clinical experience in inhalation, PO and IV conscious sedation; and a full scope of general dentistry. Working relationships include successful and positive interface with other divisions of the college and research centers at the University of Kentucky. This faculty member will work with other faculty and

staff in the Division to strengthen the educational, service and scholarly activities for the Division, consistent with the University's goals.

Salary and rank will be commensurate with qualifications and experience. Inquiries regarding the position may be submitted via email to Dr. John Burt at john.burt@uky.edu. Review of applications will begin immediately and continue until the position is filled. Applications should include a letter of interest and curriculum vitae. Please also include contact information for at least three references when prompted in the application. This information may be utilized to solicit recommendation letters from your references within the employment system.

The University of Kentucky considers the health, safety and well-being of our entire community to be a top priority. In alignment with this priority, all new hires must provide proof of COVID-19 vaccination or obtain an approved medical or religious exemption as a condition of employment. For areas that fall under the federal CMS mandate, start of employment cannot occur until two weeks after receiving the full COVID-19 vaccination series or upon obtaining an approved exemption. Only vaccines approved by the World Health Organization can be accepted.
