Job Description

Health Sciences Clinical Series Professor - Section Oral and Maxillofacial Surgery (non-tenure)

University of California Los Angeles

Requisition Number: JPF07521

UCLA School of Dentistry invites outstanding candidates for a full-time faculty position at the level of Health Sciences Associate Clinical Professor or Health Sciences Clinical Professor -(non-tenure track-[url=https://apptrkr.com/get_redirect.php?id=3115659&targetURL=https://recruit.apo.ucla.edu/JPF075210" rel="nofollow]JPF07521), or Associate Professor or Professor (tenure track-

[url=https://apptrkr.com/get_redirect.php?id=3115659&targetURL=https://recruit.apo.ucla.edu/JPF07523" rel="nofollow]JPF07523 in the Section of Oral and Maxillofacial Surgery. This position is available immediately and the search will remain open until the position has been filled.

The successful candidate will serve as Program Director of the CODA-Accredited, dual-degree OMS Residency Program. Candidates will have differentiated expertise, an exemplary record of patient care, and be board certified. A MD degree and advanced fellowship training is preferred. Applicants are expected to teach residents and dental students; participate in University service, faculty meetings, Grand Rounds and M&M conferences; contribute to quality assurance programs and continuing education; and advance the mission of the section and the dental school. Multiple opportunities exist to participate in research/scholarship activities consistent with their professional goals and program needs.

UCLA seeks candidates whose experience, teaching, research, or community service has prepared them to contribute to our commitment to diversity, excellence, and service to our stakeholder communities. Confidential review of applications will begin immediately and continue until the position is filled.

The School of Dentistry and the Section of Oral and Maxillofacial Surgery are committed to creating equitable and inclusive work environments that accelerate the success of our students, staff, and faculty. The School of Dentistry encourages candidates to apply who have demonstrated a capacity to create inclusive work environments, will work effectively on increasingly diverse teams, and will serve the increasingly diverse students we admit and want to attract.

Applicant must possess: (1) DDS or DMD or an equivalent degree; (2) Certification by the American Board of Oral and Maxillofacial Surgery; and (3) a valid California dental or medical license (or be eligible for licensure in California). Candidates seeking the tenure track position should demonstrate a history of scholarly productivity including extramurally funded research.

Salary is commensurate with education and experience. An opportunity for part-time intramural or extramural practice will be available. Applicants should submit a cover letter, curriculum vitae, personal statements on teaching and research, a statement describing contributions for Equity, Diversity, and Inclusion (EDI), and the names and contact information for three professional references via UCLA Recruit. Contact information for references will only be used with permission from finalists.

* For the tenure position (Associate Professor/Full Professor), apply via UC Recruit at:
