didactic and clinical teaching, evaluation of residents' professionalism, clinical progress, and performance, as well as counseling residents. Position includes clinical and didactic teaching in ALL areas of comprehensive dentistry.

Salary and academic rank will be commensurate with the qualifications and experience of the selected applicant.

Interested individuals should have a strong commitment to teaching and service.

The opportunity for extramural private practice is available.

Qualifications

Candidate must have a DDS, DMD or advanced degree from a U.S. or accredited dental school and be eligible for licensure in Texas. Candidate must have an AEGD or GPR certificate. Candidate should be familiar with the latest technology in dentistry, including contemporary materials and techniques, implant placement and restoration, digital procedures, and others. Teaching experience required. Preferred candidates will have previous experience with AEGD accreditation renewals.

All final candidates will be required to successfully pass a criminal background check prior to beginning employment.

Application Instructions

Interested applicants must apply through the Texas A&M University faculty job board hosted by Interfolio at apply.interfolio.com/115909 and upload the following: 1) cover letter, 2) curriculum vitae, 3) Personal statement to include philosophy and plans for research/scholarly activity, teaching, and service, as applicable, and 4) the names of three professional references (including postal addresses, phone numbers and email addresses).

Incomplete and/or ineligible submissions will not be considered.
