- providing research and scholarly leadership for the College;
- participating actively as part of the Dean's administrative team, providing leadership, oversight, prioritization, and management of collegiate research programs;
- promoting the growth of basic science, population-based, clinical and translational oral health research programs at our institution;
- interacting with the University communities and external enterprises to promote research, education and learning;
- liaising with the health science colleges to promote interdepartmental research and curricular programs;
- ensuring the College remains current in research trends and translational applications to education and clinical programs at the predoctoral, postdoctoral and graduate levels;
- collaborating with the administrative team relative to providing direction and integration of the student research programs with the curriculum;
- liaising with the Dean for Faculty concerning faculty development;
- working closely with faculty, staff, and students to support the collegiate research mission and vision; and
- cultivating an environment of inclusion and respect for students, faculty and staff within the college.

The position is available October 31, 2024; screening begins immediately.

Applicants must have:

- DDS/DMD, or MD/DO, or PhD (or equivalent degree);
- current rank of tenured Associate Professor, or tenured full Professor, or equivalent;
- minimum of 5 years administrative experience;
- record of a sustained externally funded health-related research program as measured by grants and publications;
- evidence of leadership in collaborative research at multiple levels, including collegiate, university, national and/or international;
- academic and scientific experience in research mentoring of faculty and students;
- effective communication skills; and
- demonstrated experience working effectively in a welcoming and respectful workplace environment.

Desirable qualification:

- demonstrated ability to obtain funding from diverse sponsors including private and/or public
