1. Serve 40% FTE as faculty clinician both at the West Ashley Medical Pavilion and Nexton Dental Clinics. (JBE CDM off-site clinics)
2. Serve 40% FTE as faculty clinician in the student clinics located in the building of the JBE CDM in downtown Charleston.
3. Provide clinical care at 20% FTE in the Dental Faculty Practice

Educational Responsibilities.

1. Within the JBE CDM downtown Charleston facility, this faculty position will focus on delivering preclinical and clinical education within the Restorative Division in the Department of Reconstructive & Rehabilitation Sciences. The primary goal is to provide comprehensive education covering various aspects of operative dentistry, fixed prosthodontics, CAD/CAM dentistry, and overall comprehensive care. The responsibilities may include teaching theoretical concepts, practical skills, and clinical techniques to students, as well as contributing to curriculum development, research, and scholarly activities within the department.
2. Within the JBE CDM off-site clinics, the faculty will divide his/her time between the Nexton facility and the West Ashley facility. In addition to providing patient care, educational responsibilities will include supervising students and/or residents providing clinical care.

Clinical Responsibilities. The faculty position also will deliver comprehensive general dentistry in the JBE CDM off-site clinics and will serve as the primary backup for other faculty who provide clinical care at these locations. In addition, the candidate is expected to practice in the Dental Faculty Practice.

Requirements. The ideal candidate will be a clinician with at least 7 years' clinical experience, with excellent proficiency in Digital Dentistry technology. Prosthodontic training from a CODA accredited program is preferred and can substitute for the clinical experience threshold. Previous experience working in an academic environment and advanced training in general dentistry (AEGD or GPR) will be considered an advantage.

The candidate must be willing and able to provide direct clinical care, oversee and instruct students, be a strong communicator and have a positive personality conducive to developing a compassionate, respectful, and productive work environment.

Successful applicants must have a DMD or DDS degree and should qualify for a South Carolina full or teaching dental license. Salary and academic rank will be commensurate with experience. The position may require flexible hours.

EEO/AA Policy

It is the mission of the Office of Equal Employment Opportunity/Affirmative Action to ensure MUSC compliance with federal, state, and local laws and regulations pertaining to non-discrimination and affirmative action. Equal Employment Opportunity is a term used by the federal government to refer to employment practices that ensure nondiscrimination based on race, color, national origin, sex, sexual orientation, gender identity, physical or mental ability, religion, medical condition, ancestry, marital status, pregnancy, genetic information, veteran status, or age.

The EEO/Affirmative Action Office creates and monitors the MUSC Affirmative Action Plan and implements innovative programs to increase MUSC's awareness of and commitment to diversity, equity, and affirmative action in the workplace. The Office is dedicated to preventing illegal discrimination and illegal harassment. Through educational programs, investigations and resolution of complaints, and oversight activities, the Office fosters an environment and culture that supports all members of the community.
