Posting Detail Information

Position Summary

The [Department of Periodontics and Endodontics](#) at the School of Dental Medicine seeks to fill a full-time tenure track faculty position. The appointment will be at the rank of **Assistant or Associate Professor (HS)**tenure eligible with a full-time commitment.

The primary responsibilities of this position include:

- Predoctoral and graduate level didactic and clinical teaching
- Research
- Patient care

An academic focus is expected and can be developed in any number of areas across school programs and strengths, including but not limited to clinical, translational, or basic science research.

Salary and rank will be commensurate with experience. Participation in the SDM faculty practice plan is expected. Review of candidates will begin immediately and applications will be accepted until the position is filled.

The University at Buffalo is part of the State University of New York with an excellent fringe benefit package and an opportunity for faculty practice.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. Visit our benefits website to learn about our [benefit packages](#).

About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of Americas leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research,
