recruitment, curriculum development, scheduling, and program administration.

This role also includes responsibilities in research, scholarly publishing, and participation in Dental Faculty Practice, in alignment with school and university performance and scholarship expectations.

The rank, salary, and responsibilities will be commensurate with the candidate's training, experience, and academic achievements.

Doctor of Dental Surgery (DDS), Doctor of Dental Medicine (DMD) or equivalent degree, have advanced training in Endodontics and be a board-certified Diplomate of the American Board of Endodontics or be board-eligible by the American Board of Endodontics.

Significant clinical and academic experience. Excellent oral and written communication skills. Leadership, administrative, supervisory, and CODA accreditation experiences are preferred.

EEO/AA Policy

The University of North Carolina at Chapel Hill is an equal opportunity and affirmative action employer. All qualified applicants will receive consideration for employment without regard to age, color, disability, gender, gender expression, gender identity, genetic information, national origin, race, religion, sex, sexual orientation, or status as a protected veteran.
