### Posting Detail Information

#### Position Summary

The University at Buffalo [School of Dental Medicine](#) is actively recruiting a **Program Director** for the Advanced Education Program in Orthodontics at the rank of Clinical Assistant, Clinical Associate or Clinical Professor, available immediately.

Position responsibilities include:

- Program administration
- Didactic and clinical teaching to post-graduate residents and predoctoral students
- Development of scholarly activities

The successful candidate may participate in the faculty practice.

The [Department of Orthodontics](#) provides training for orthodontic residents and dental students. Our department offers a full range of orthodontic services, including interceptive, comprehensive, and multidisciplinary orthodontic care tailored to patients of all age groups.

#### ***Learn more:***

- Our [benefits](#), where we prioritize your well-being and success to enhance every aspect of your life.
- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

#### Minimum Qualifications

- DDS, DMD or equivalent degree
- Graduate of a CODA accredited advanced education program in orthodontics.
- Board certified by the American Board of Orthodontics
- 2 years of experience teaching post-graduate residents and a record of scholarly activity
