organization” as defined by the [Public Service Loan Forgiveness \(PSLF\) Program](#).

The University of Washington School of Dentistry (UWSOD) is ranked among the top ten dental schools in the United States. In 2025, the UWSOD was ranked No. 3 in the world by the Shanghai Ranking and No. 19 globally by the QS World University Rankings for Dentistry. For more information on UWSOD, please visit the [school's profile](#).

The UWSOD is a 12-month service school. The Department of Restorative Dentistry is seeking a full-time faculty member at the rank of Assistant or Associate Professor of Clinical Practice, depending on qualifications. The appointment is not tenure-eligible but is eligible for promotion. Appointment terms range from 1 to 5 years for Assistant Professor of Clinical Practice and 1 to 7 years for Associate Professor of Clinical Practice; generally, three years minimum for initial appointments. There is no limit on the number of reappointments.

The Department of Restorative Dentistry is committed to building a diverse, equitable and inclusive learning environment. Candidates are encouraged to demonstrate their ability to innovate and create teaching/research/service models that incorporate diversity, equity, and inclusion. We invite a broad range of scholars with diverse perspectives to join us.

The successful candidate will serve as the Director of Maxillofacial Prosthetic Service. They will collaborate with a multidisciplinary team across UW Medicine in the management of complex maxillofacial oncological and trauma patients, serving Washington state and the broader WWAMI (Washington, Wyoming, Alaska, Montana, and Idaho) region.

The Director of Maxillofacial Prosthetic Service will engage productively in clinical activities and provide clinical care to maxillofacial patients at the UWSOD, oversee the fiscal and clinical operations of the Maxillofacial Prosthetic Service, including staff management, and teach both didactic and clinical courses mandated by the American Dental Association Commission on Dental Accreditation (ADA CODA) for the Graduate Prosthodontic program. The ADA CODA mandated courses include providing oral rehabilitation (attending in the Graduate Prosthodontic clinic), lecturing on Maxillofacial Prosthetic concepts and treatment, conducting literature reviews in fixed, removable, or implant prosthodontics, and participating in treatment planning seminars. The individual may also conduct original research and/or mentor graduate students in research for the Master's degree program. Service is also expected at the department, school, university, local, national, or international level.

Qualifications

Minimum requirements include a DDS/DMD degree or foreign equivalent and completion of a post-graduate program in Prosthodontics accredited by the ADA CODA, the Commission on Dental
