Posting Detail Information

Position Summary

The [Department of Restorative Dentistry](#) at the University at Buffalo School of Dental Medicine is seeking applicants for multiple full time clinical faculty positions. You will provide instruction in our preclinical and clinical courses for our DDS or Advanced Education students.

As a clinical faculty member, you will have the following major responsibilities:

- Provide proficient instruction in all three disciplines of Fixed, Removable and Operative Dentistry.
- Provide lectures in didactic courses.
- Provide clinical demonstrations.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization. Learn more about the great [benefits](#) the University at Buffalo has to offer.

About the University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of Americas leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact.
