Job Description

Texas A&M College of Dentistry, Department of General Dentistry, is seeking applications for a full-time, tenure or non-tenure-track appointment, with a rank of Assistant or Associate Professor, or Clinical Assistant or Clinical Associate Professor for the position of Assistant Director of the Advanced Education in General Dentistry (AEGD) Residency Program.

Responsibilities include assisting and coordinating with program director in all administrative and teaching responsibilities, supervising patient care and participating in graduate didactic and clinical teaching. Position includes clinical and didactic teaching in ALL areas of comprehensive dentistry. If tenure-track, scholarly activity is expected.

Candidate must have a DDS, DMD or advanced degree from an accredited dental school and be eligible for a Texas dental license. AEGD or GRP certificate from a CODA accredited dental school is preferred. Teaching experience is required. Clinical experience in all aspects of general, restorative and implant dentistry is needed. Previous AEGD accreditation renewal experience is preferred. If
